Best Phone:	801-376-8651
Best Time:	9AM-5PM

Rules of Conduct

None specified

West Lake CWMU Description

The West Lake CWMU is located west and south of Utah Lake in Goshen Valley. Part of the northeast border is the shoreline of Utah Lake. This is a relatively flat Unit, about 4500 feet in the north, rising to **5000 feet** in the middle and westside, then decreasing to 4700 feet in the south. Kimball Creek (**4600 feet** to 4900 feet) is probably the only major drainage on the Unit.

Over sixty percent (60%) of the West Lake Cooperative Wildlife Management Unit (CWMU) is **Agriculture** (114). Around the edges of the Unit are areas of Inter-Mountain Basins **Big Sagebrush Shrubland** (48) and **Invasive Annual Grassland** (121). Inter-Mountain Basins **Greasewood Flat** (82) and **Developed, Open Space - Low Intensity** (111) add to the character of the Unit.
